April 21, 2020

Dear HASFN Tenants/Homebuyers,

The coronavirus (COVID-19) pandemic has thrust our community into unknown territory. We recognize this is a frightening time and that many in our community have faced both health and economic impacts. We are here to try to help.

If you have suffered a job loss or other substantial loss of income due to the COVID-19 pandemic and are unable to pay April 2020 rent, we encourage you to notify us as soon as possible to discuss arrangements that may be made to accommodate your situation. Please be aware that if you do not contact us to let us know that you have been affected by COVID-19, we will not know that you may need assistance during these unprecedented times. We are all in this together, and if we work together, we can weather this storm.

HASFN has taken steps to provide financial assistance to mitigate the hardships faced by residents. **In addition of waiving March and April 2020 late fees, HASFN has included to waive May 2020 late fees and rental/homebuyer payments.** Please continue to pay April rent/homebuyer payments, if you haven't done so. Also, if you have paid May already, this will be a credit for your June rent. We value all our residents and will support efforts by our leaders to help support members of our community during this pandemic.

If you have questions or concerns, please contact the following staff at 405-275-8200.

Housing Manager, George Yesslith, ext. 113
